6. NATIONAL STANDARD PLANNING APPLICATION FORM – BEDS C C

As part of the Government's move to streamline the land-use planning system, with effect from 6 April 2008 there will be legal obligation for all planning applications to be submitted on the National Standard Planning Application Form of 1APP with the exception of minerals development. The new 1APP will be the only method of applying to the County Council for waste-related development which are known as Regulation 3 applications. It is intended that the new 1APP form will provide a consistent format and set of questions for comparable developments with the aim of helping to make the process of applying for planning permission more straightforward for the applicants.

7. ANY OTHER BUSINESS

None.

The meeting closed at 7.45 p.m.
